Select Course	Program Number	Program Name	AIA/CES Credit	HSW Credit	Time
<input type="checkbox"/>	AIA001	Introduction to Urethanes in Construction	Yes	Yes	1 Hour
<input type="checkbox"/>	AIA101	Historic Renovation & Remediation Using Polyurethane Foam Technology	Yes	Yes	1 Hour
<input type="checkbox"/>	AIA102		Yes	Yes	2 Hours
<input type="checkbox"/>	AIA103		Yes	Yes	3 Hours
<input type="checkbox"/>	AIA201	Ice Dam Prevention and Remediation	Yes	Yes	1 Hour
<input type="checkbox"/>	AIA202		Yes	Yes	2 Hours
<input type="checkbox"/>	AIA203		Yes	Yes	3 Hours
<input type="checkbox"/>	AIA301	Methods for Quality Assuring Thermal Envelope Performance	Yes	Yes	1 Hour
<input type="checkbox"/>	AIA701	Exterior Wall Application I, II	Yes	Yes	1 Hour
<input type="checkbox"/>	AIA702		Yes	Yes	2 Hours

What is the knowledge level, expertise, and experience of the attendees related to the selected topic(s)?

What are your goals as a result of taking courses? (Learning Units, general knowledge, a specific project, etc.)

Do the courses you chose tie in to any current or upcoming projects? If so, please describe the project so that we can target the presentation to your needs.

Please list specific questions that you would like me to address in the presentation. (Examples: Products you are interested in, building science terminology and issues, methods/applications, sequencing issues, specifying application types, etc. - Topics: insulation, air barriers, vapor retarders, methods for specific building types, building envelope failures, etc.)
